

Hello,

My name is Michael Campoli, I have been working for Bell Media for almost 7 years and I have been a Steward for over a year. As a Steward I believe in being open with the membership. I have listened to your concerns and I have done my best to answer your questions. I have taken courses to improve my knowledge so I can be more helpful. The reason why I want to be a part of this round of bargaining is because I felt like the membership wasn't well informed in the last round of negotiations by the union.

We were told to vote on a subject that a lot of us did not know anything about. We were crowded into a room and quickly explained to how we should vote only a few days voting was to take place. I want to be more open, I want the members to be well informed and I want them to understand what they will be voting for, so they can make an informed decision that is best for them and the membership. The only thing I can promise is to listen to your concerns and to bring them to the table.

This is going to be a team effort that I am excited to be a part of, not only for this round of bargaining but for many years to come. Please vote for me, I promise to do my very best to represent you.

Thank You. Michael Campoli
