## **Motion #2**

**April 4 2018 Motion**

Whereas: The Local web administrator has built an iOS and Android app to service other Unifor locals and,

Whereas: we can use an app to communicate directly with members via push notifications and eliminate the need to check email ensuring a higher read ratio.

Therefore, be it resolved that the local purchase this service from our administrator. Cost is \$2500.00 for design, Annual hosting fee \$ \$1600.00, and monthly Maintenance fee of \$75.00

These costs include:

Updating news articles provided by the client

Updating calendar events provided by the client

Sending push notifications as requested

Updating any current documents that live on the App.
